

## ACE Academy Wellness Statement

Before school begins each year, we must have documentation that every child has been seen by a doctor at least once in the previous year and has been deemed fit to attend school.

At your child's next well-check, please have your physician sign this form, or any other certificate approving your child for school attendance, and **return it to the ACE Office by August 24**. These documents may also be faxed directly to our office from your doctor.

The ACE Academy fax number is **512-532-6188**.
